Personal and professional project.

How can you currently define your professional and personal project(s)? What key points have led you to define your project(s) as you do?

This image shows a blank sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Justify your interest in wanting to participate in a 4-month programme alongside students from Europe. What knowledge do you already have of the Western business and society?

[illegible]

What do you expect to gain from this 4-month programme with EMLYON? How will this study period have an impact on your professional or personal project?

How do / can you envisage your contribution to creating a lively campus alongside EMLYON students in your university?

Are there any reasons that may prevent you from participating fully in the Asian Campus Semester and for the whole period of the Summer Semester (from April 20th to July 26th incl.)?

I, the undersigned, do commit myself to participating in and contributing fully to the learning activities organised within the Asian Campus Summer Semester. If I am selected for this programme, I understand that I must participate in all the core requirements of the programme (core courses, electives courses, ICP) and validate the minimum expectations (22.5 ECTS). I will actively contribute to creating a lively campus, thus respecting the values defended both by EMLYON Business School and Tongji University.
